Superintendent will be at April 9th PTO meeting to discuss the budget.

Principals' Report

Assistant Principal

Eva Jones

Student Forum on safety well attended with 75-100. Talked about need for greater security at high school and how easy it is to get into building. Students felt safety drill needs to be improved by Administration. Students expressed they really didn't know what to do if an actual event happened.

Security measures enacted by the school: limited access to building in morning, doors don't open until 7:00 am.; there will be a staff member at booth when you enter first set of doors to check visitors ID and then allowing people through to the second set of doors into building.

Scanners: putting up front so students will have to scan ID when they go out of the building and scan when they come back in. Will give better idea of who is in the building. A scanner will also be at the Nurses Office and the Counseling Office.

Assistant Principal

Anthony Malizia

3/ 22-23 NCAP conducting Needs Prevention session during English for 10th and 12th grades.  
4/21 Dance Marathon. Teams can sign up and raise money for the charity of your choice.

Principal

John Rickert

Congratulations to students who worked on and preformed in the play Camelot. They did a great job!  
Congratulations to boys swimming Sectional Champions. Congratulations to the girls track Sectional Champions as well as two teams participated in Nationals. 4x8 relay placed 3rd nationally.  
Campus Safety Lockdown Drill was held on 3/6. Campus supervisor in charge of building security and monitoring off grounds traffic especially at lunch. Plan to monitor perimeter to help reduce students leaving campus.

Student Events: 3/15. Walk Out

School believes in education and wants students in class. Does not support walkout but understands students need to have a voice. There will be no disciplinary action for leaving class and students are expected to return. Walking out to flag pole for 17 minutes and reading names of 17 killed in Florida. Police will be monitoring the events as well as staff. Student only participation.

4/20 walk out is more political in tone. Students who walk out and leave school grounds will face disciplinary actions. Athletes will not be allowed to participate in events that day.

Meeting adjourned by Kristin Kennedy at 7:46 pm and seconded by Cindy Strevell
